God places Adam in a garden.

People are living in relationship with God.

God and man together.

God wants people to live in relationship with Him.

God places Adam in a garden.

People are made in God's image and likeness, living in relationship with Him.

God and man are made together.

God wants people to live in relationship with Him.

Christianity isn't mainly about becoming religious.

**God places Adam
in a garden.**

**God is giving in
relationship with
Him.**

**God and man
together.**

**God wants people to
live in relationship
with Him.**

We were created to know God and to live for Him.

God created you.

God knows you.

And your life matters to Him.

**There is one tree they
must not eat from.**

WHY??

TREE OF LIFE

TREE OF LIFE

**There is one tree they
must not eat from.**

WHY??

**Because genuine relationship
involves choice.**

**God didn't create robots.
People could trust God.
Or people could decide:
"I know better."**

NEXT WEEK

God and people together.

Creation described as good.

People with dignity.

People with purpose.

People without shame.

It began with God.
God looked at what
He had made and
called it very good.

You are a human being made in the image of God.

You have dignity.

You have value.

And you were created for relationship with GOD.

Don't just say:

"God made the world."

Say:

**"They tell us who God is, who we are,
and what we were made for."**

**I was created by God, for
God, and with purpose.**
